Otero County, NM

## 2021 Grant Recipients

In celebration of Con Alma Health Foundation's 20 years of investing in the health of New Mexico's communities, we are honored to announce 33 grants totaling \$507,500.

"We welcome the opportunity to invest in nonprofits that share our goal of making health equity a reality in New Mexico, so everyone has equal opportunities to live a full, healthy life," Denise Herrera, Con Alma's executive director.

Con Alma's annual grants support policies, education and care, and promote such causes as environmental health, healthy food access, supportive housing, prevention programs, health-care workforce, and racial and health equity. Grants target populations across New Mexico that are underserved, including Native and rural communities, uninsured patients, minorities, at-risk youth, LGBTQ+ individuals and people who have disabilities.

Nonprofits receiving grants serve people statewide and specifically in Bernalillo, Catron, Cibola, Colfax, Curry, De Baca, Doña Ana, Eddy, Grant, Guadalupe, Hidalgo, Lea, Los Alamos, Luna, McKinley, Mora, Otero, Rio Arriba, Roosevelt, Sandoval, Valencia, San Juan, San Miguel, Santa Fe, Socorro, Taos, Torrance, Union and Valencia counties.

In addition to our annual grants, Con Alma awarded \$525,000 in vaccine equity and community rebuild grants to help ensure COVID-19 vaccines are distributed equitably across the state and support communities to address the disproportionate impact the pandemic has had on them.
